Dear Darryl,

On behalf of On Target Utility Services, I would like to extend our appreciation for your outstanding participation and effort, as keynote speaker at our recent Safety Fair. The day was very successful and your program/effort was well received. Safety is the focal point of all we do as an organization and by your efforts you enabled us to reinforce this important message.

Your inspiring presentation, with real life images and experiences was both informative and inspiring. You hit home on the realities, and risks of drug and alcohol abuse, and the possibilities to recover a life with purpose, no matter what the situation.

In extending to us this 'helping hand' of knowledge, information and service, you were a credit to yourself and the organization you serve. Our hope is that you received as much as you gave.

Your dedication to sharing your life experiences concerning safety and health reinforced our corporate message concerning the paramount importance of these issues in our daily routines.

Please feel free to pass on my contact information to anyone who may be interested in selecting you as a keynote speaker. Please accept once again our thanks for a job well done.

Sincerely,

Rita Bilodeau
